Finding a Specific Book In Our Library

• Select LC OneSearch link.
• Select Browse Search
• Select Browse by .... (four choices)
  o If you're browsing by title, type the exact title (not keywords in the title)
  o If you're browsing by author, type **the last name** of the author, followed by **the first name** of the author

Review your results. If one of them looks good, select that record’s line.
- Review the titles.
  - If online, to view online, you must sign in with your LC credentials.

This is one example of what a “full text book” will look like. Not all full text books may appear this way.
If the book appears with a call number:
